

## Cream Cheese Swirl Brownies

---

- 1 box of your favorite Brownie Mix
- 1 8 oz package of Cream Cheese Softened
- 1 egg
- 1/3 cup sugar
- 1 tsp vanilla

### Directions

Preheat oven to 350 ° F.

Line a square 8x8 pan with aluminum foil.

Follow the directions on the brownie mix box and prepare the batter. (let sit in bowl)

In a separate bowl beat together cream cheese, sugar, egg, and vanilla.

Now place 2/3 of the brownie batter in the 8x8 pan.

Then spread the cream cheese batter evenly over the top.

Spoon the remaining brownie batter in different locations over the cream cheese. Take a butter knife and swirl together; without over mixing.

Bake for 30 minutes or until toothpick in the center comes out clean.

Cool before cutting.
