

Dirt Pudding

- 1 package chocolate instant pudding mix
- 2 cups milk
- 1 small container Cool Whip topping, thawed
- 1 pkg Oreo cookies (crushed)
- 1 package gummy worms

Directions

Mix pudding mix and milk. Whisk together well!

Whisk in about $\frac{3}{4}$ of the tub of cool whip; about 6 oz.

Then stir in about 1 $\frac{1}{2}$ cups crushed Oreos.

You can now scoop pudding mixture into individual serving cups, or 1 large serving bowl (see suggestions).

Top with remaining cookie crumbs to make it look like dirt.

Add Gummy worms, artificial flowers, or live edible flowers to decorate!

Refrigerate at least 10 minutes before serving!

Dig in!
