

BBQ Chicken Wrap

- Cut up Cooked Chicken (I use Lawry's Chipotle Lime Marinade!)
- Medium-Large Tortillas (Use Corn for GF)
- Shredded Cheddar Cheese
- Shredded Lettuce
- BBQ Sauce

Directions

Heat up Tortillas either in oven under broiler or in microwave. They fold better when they are warm.

Squirt a TBSP of BBQ Sauce in Tortilla.

Stack Chicken, Lettuce, and shredded cheddar cheese in the tortilla.

Fold the Tortilla like a burrito. Fold in the sides, and then roll.

Serve!
